Chi Square

The following are the results  
given to us. These are the results  
of a chi square test. The results  
of the test are as follows:

1. Spoke. Total number of

spokes is 100.

2. The number of

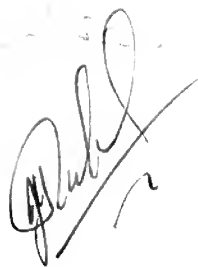

spokes is 100.

3. The number of

spokes is 100.

4. The number of

spokes is 100.
